In Memory of:

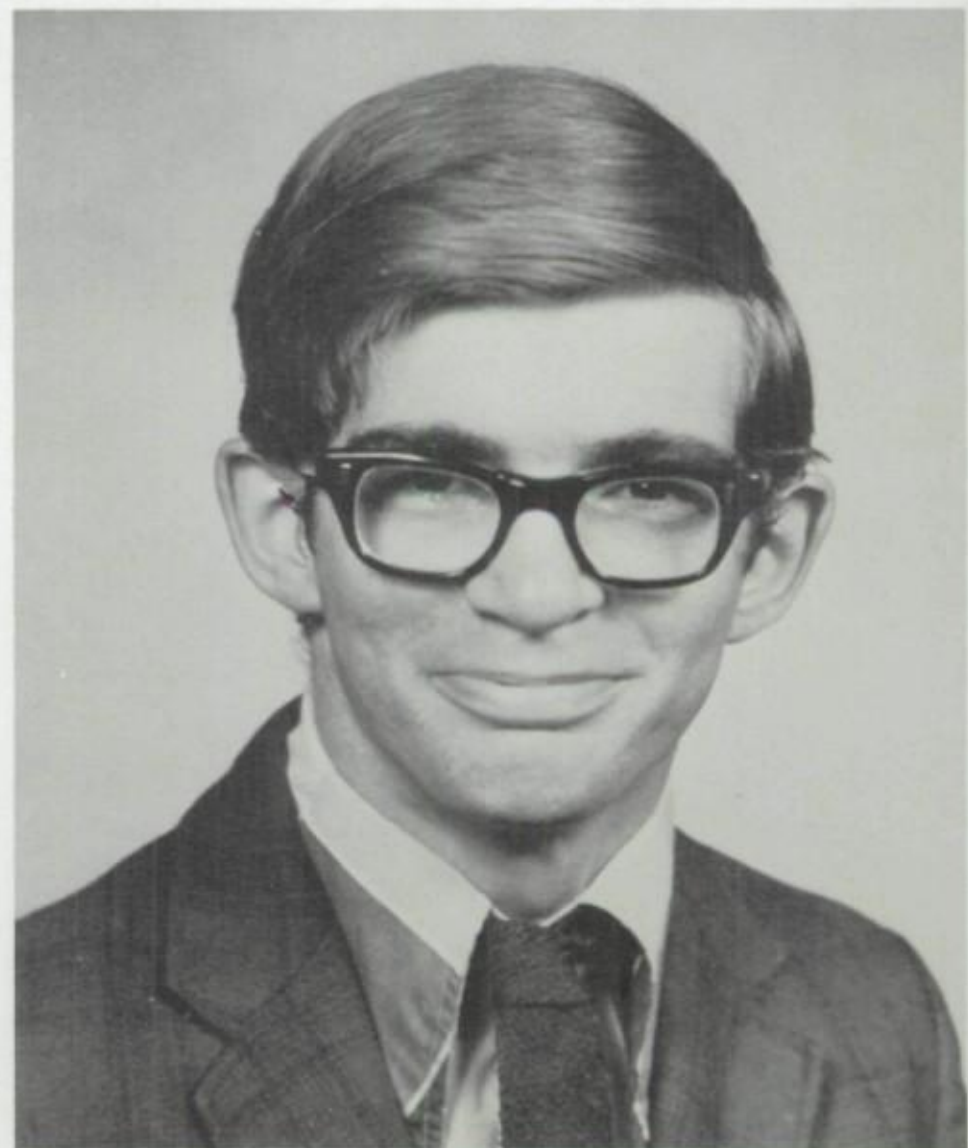

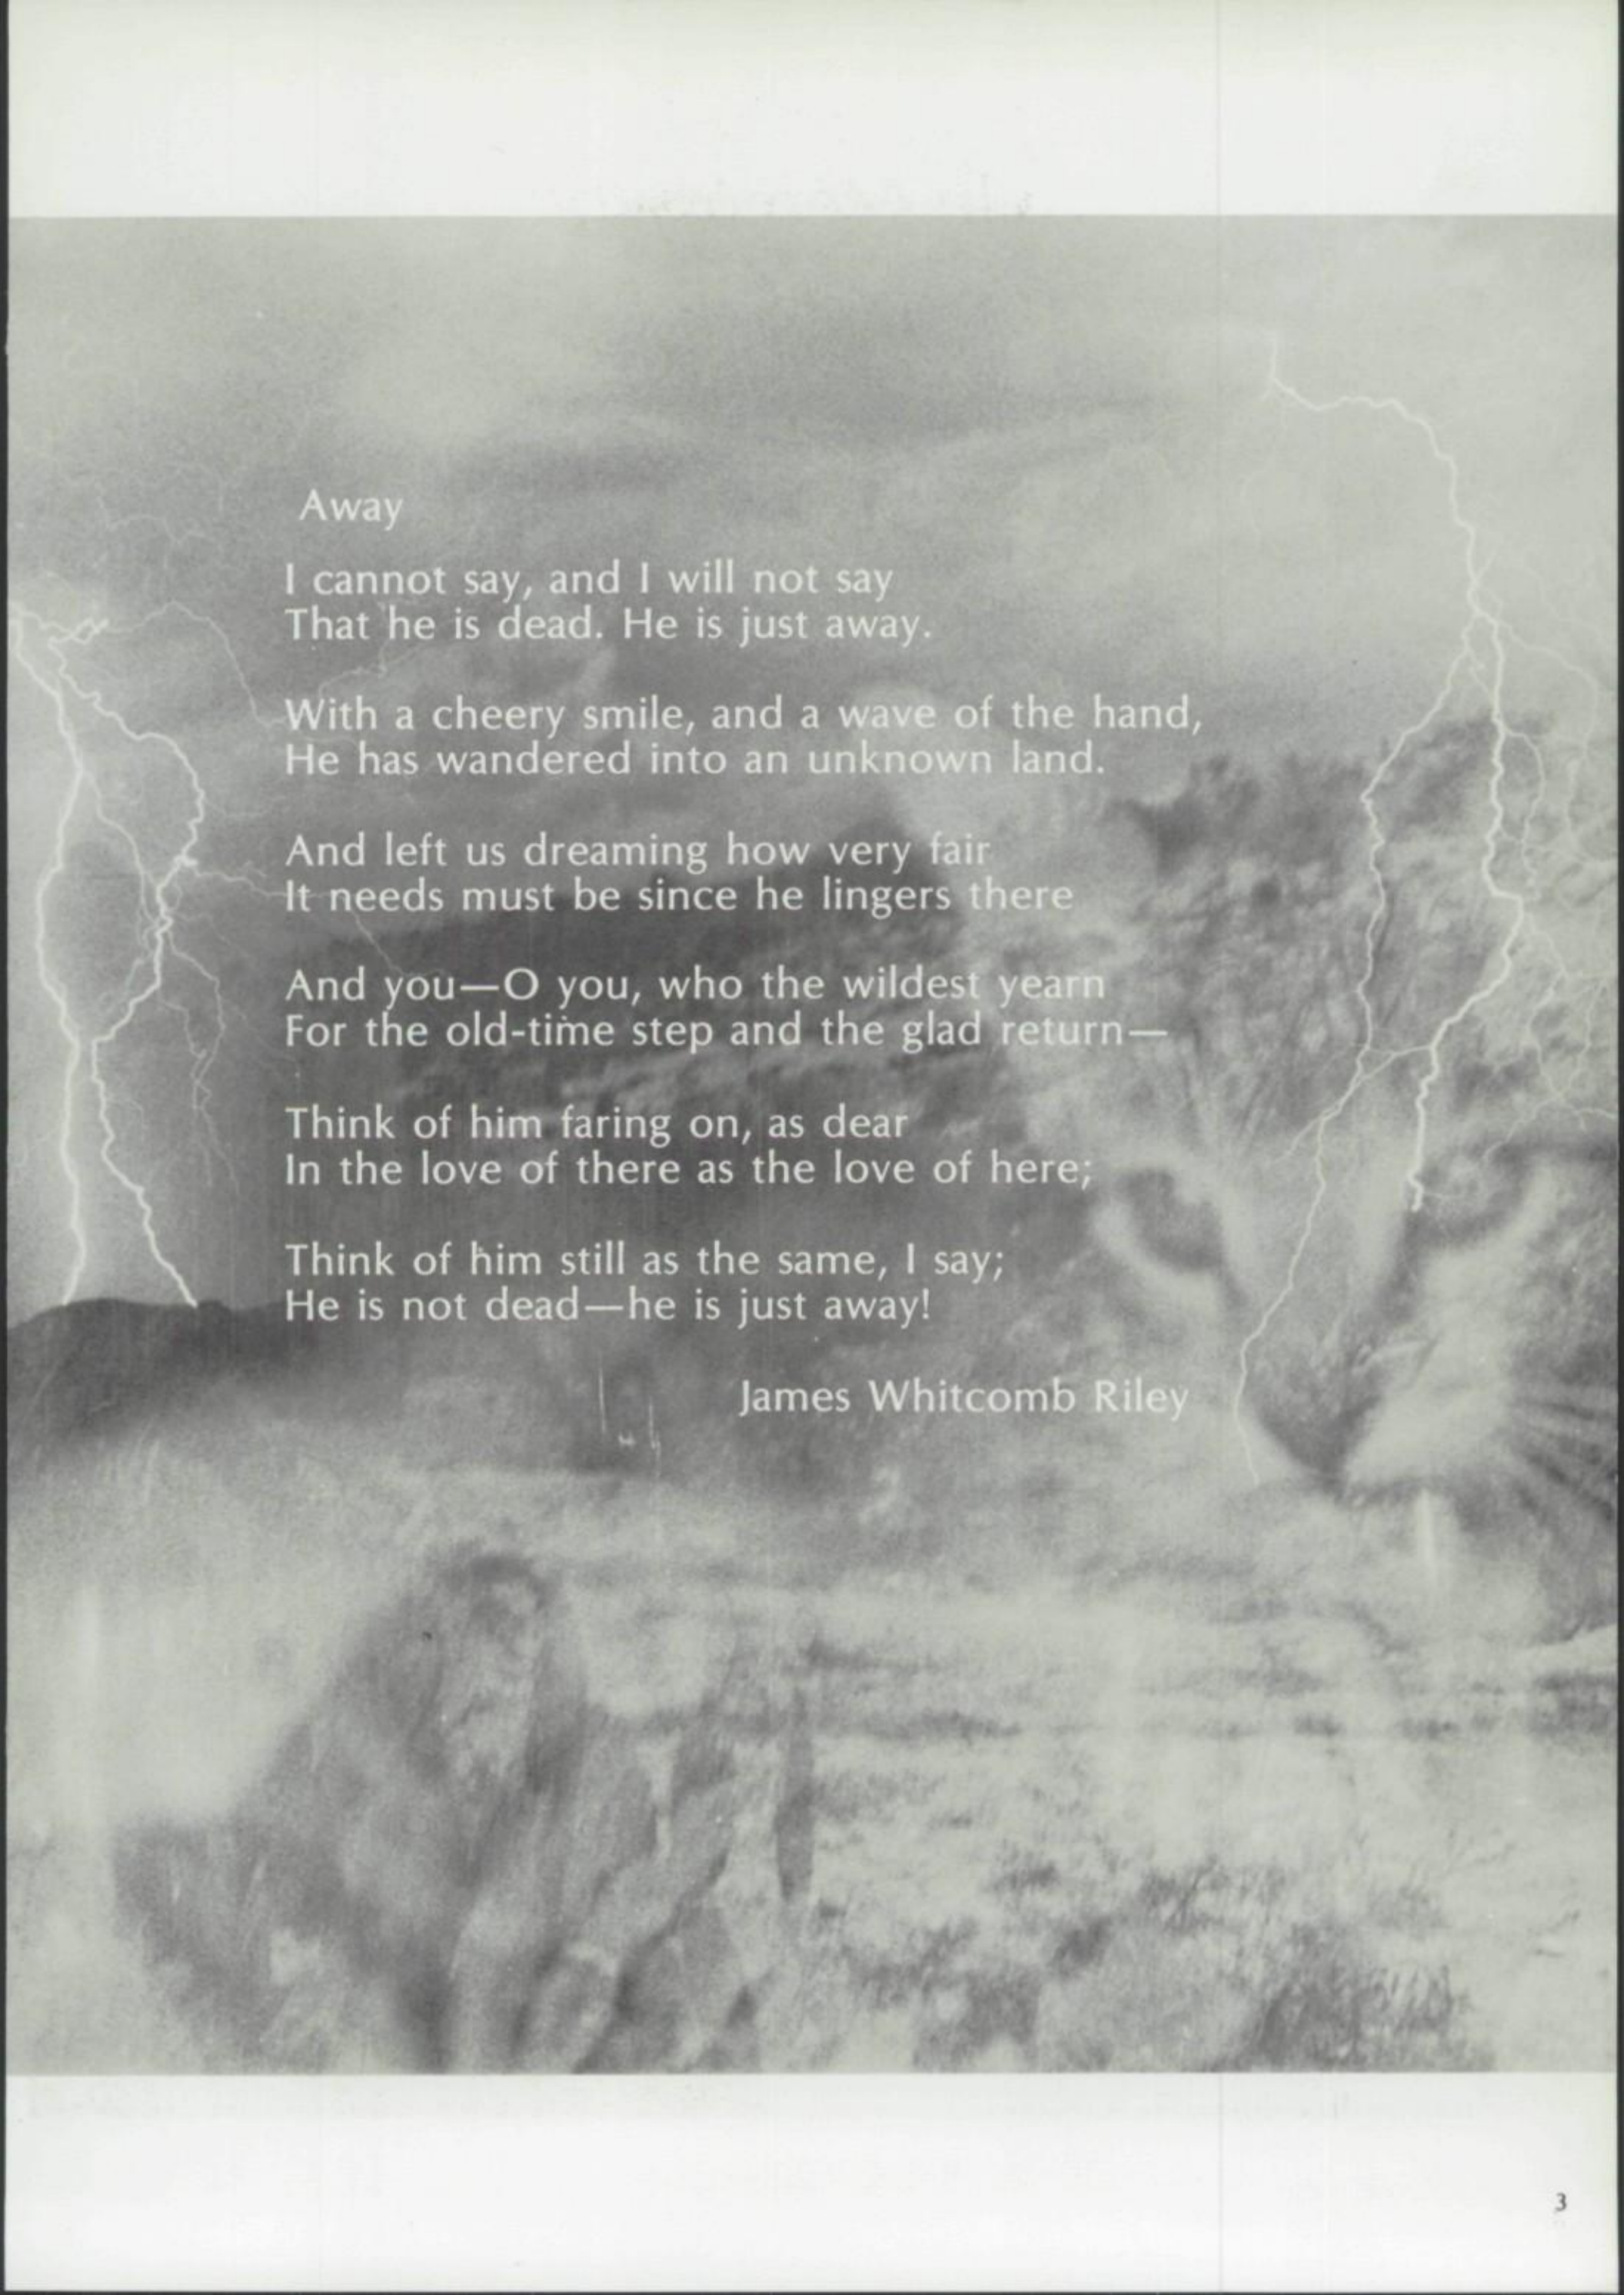

Art William Rehm was born August 7, 1958 in Watertown, Wisconsin and attended Sahuarita High School for 3 years. During his years here, he played golf (Jr. Soph), J.V. baseball (Soph), basketball (Frosh) and football (Soph).

Art died Aug. 31, 1976.

Born May 13, 1956, Frances Doug Opela was 20 years old this summer. During his 4 years at Sahuarita, he was very active. With 4 Years of chorus and 2 years of drama behind him, Frances played Mrs. Morgan, the murderer, in the play, "STOP YOU'RE KILLING ME." Sports were another interest of his. Frances was a wrestling manager for 3 years and a baseball manager for 1 year. He also worked at the Amado Dog track. His other interests were Government Club and Newspaper, both for 2 years. He also worked in his community as a Cub Scout leader.

Frances died July 27, 1976.

Away

I cannot say, and I will not say
That he is dead. He is just away.

With a cheery smile, and a wave of the hand,
He has wandered into an unknown land.

And left us dreaming how very fair
It needs must be since he lingers there

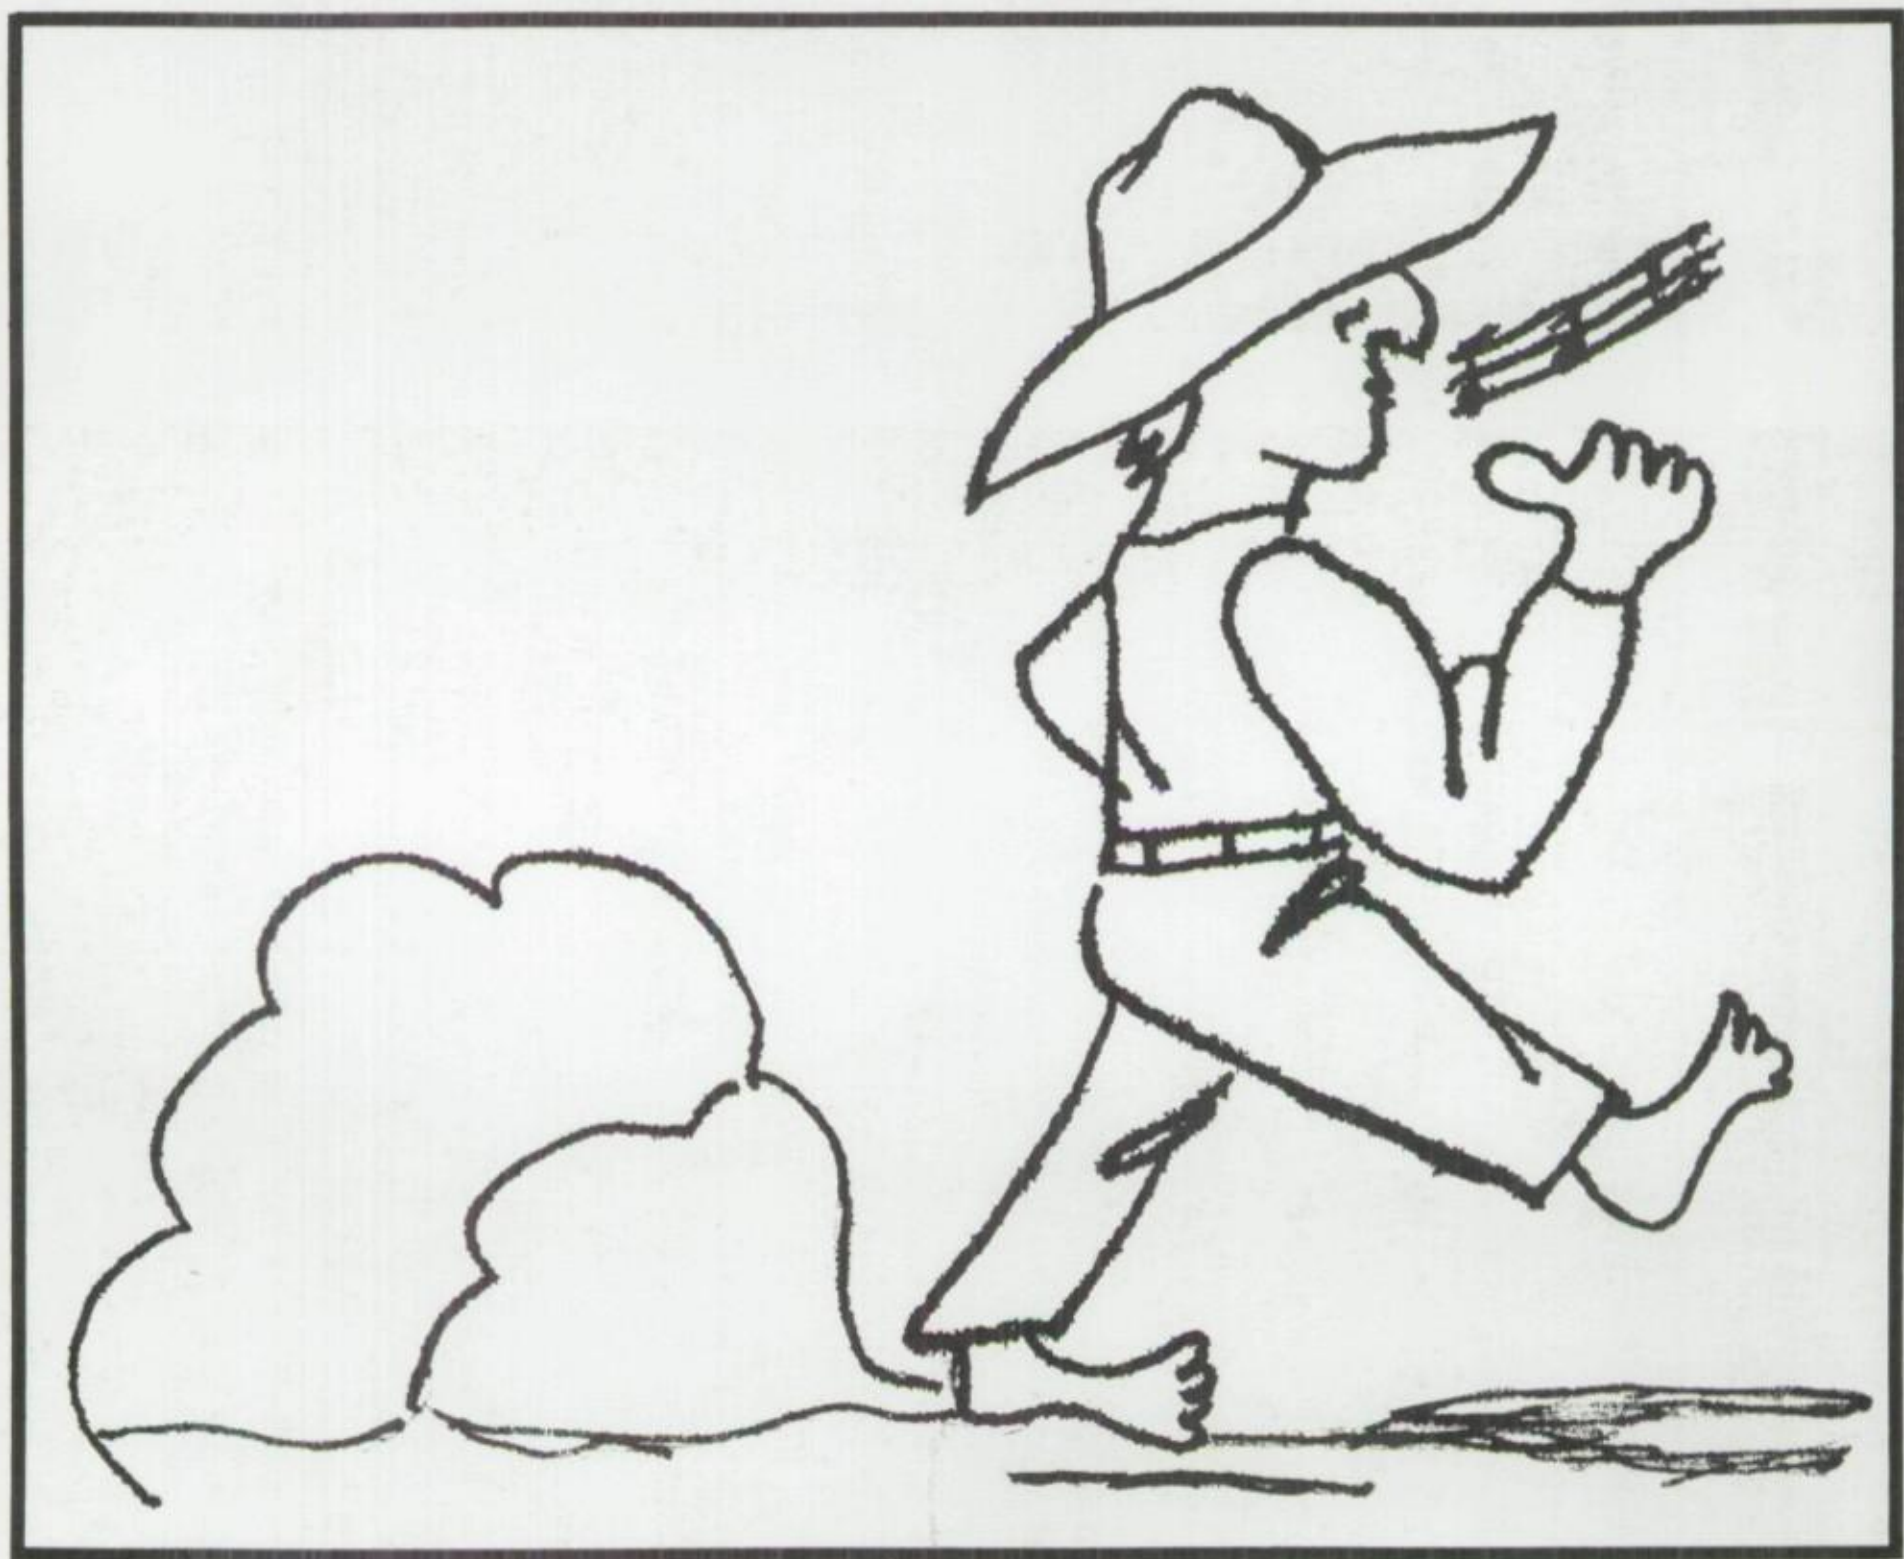

And you—O you, who the wildest yearn
For the old-time step and the glad return—

Think of him faring on, as dear
In the love of there as the love of here;

Think of him still as the same, I say;
He is not dead—he is just away!

SOPHOMORES

Class of 1979

With two more years ahead of them the Sophomore class certainly has a lot to "work hard" for. Becoming involved in school activities is one of the things the Sophomore class is finding easier to do. Now that the Sophomores have a year's experience under their belts, they can settle down and start to work toward their goals.

JUNIORS

Class of 1978

With their Senior year to look forward to, the Junior class is heading in the right direction. Along with the responsibility of the Prom, the Juniors must also set a good example for the rest of the underclassmen. With a Junior class like this year's we can be proud of the graduating class of 1978.

SENIORS

Class of 1977

Seniors at last! That is the general feeling of this year's graduating class. Any Senior can reflect on his freshman year and recall the feeling of obscurity as he or she first entered here at Sahuarita. Today each Senior can graduate with a feeling of belonging. The class of "77" has grown with the school and each individual has left his own mark, no matter how small or indelible.

The Homecoming Football Game was against the Ray Bearcats. The Sahuarita Mustangs lost 15-14 by a last minute play-off. The tenseness of the game matched the excitement of the crowd on this special occasion. The Dance following the game featured "Mirage"

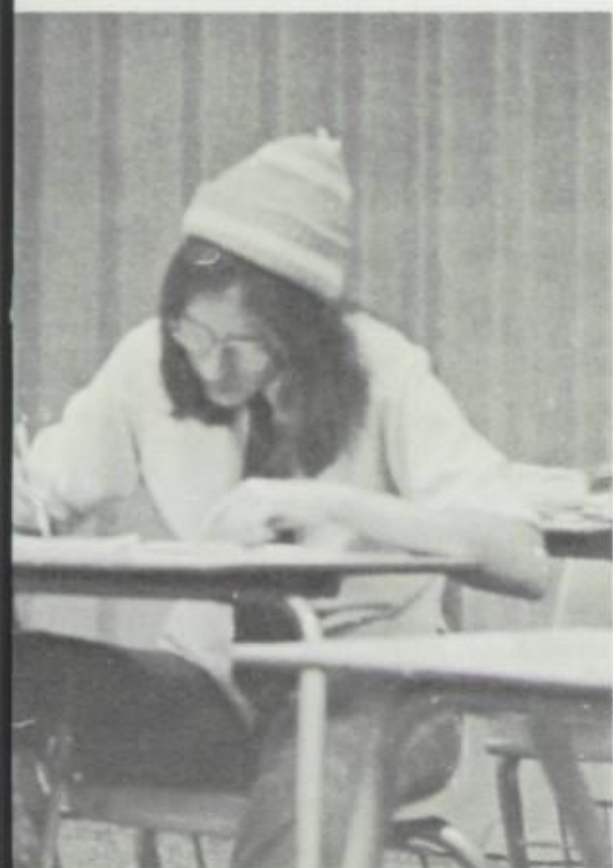

Spirit Week

In order to inject spirit into the student body, the cheerleaders led interested students in a week long spirit drive that climaxed with a homecoming game, the likes of which will be hard to duplicate. The week was divided into five parts which included Hat Day, Tie Day, Sock Day, Shade Day, a combination day, in which all articles were combined. An award was given to the person who had shown the most spirit throughout the entire week. The week was a success, as Sahuarita's football team turned out the biggest crowd of the year. The team was narrowly defeated by the Ray High School Bearcats in the overtime, 15-14.

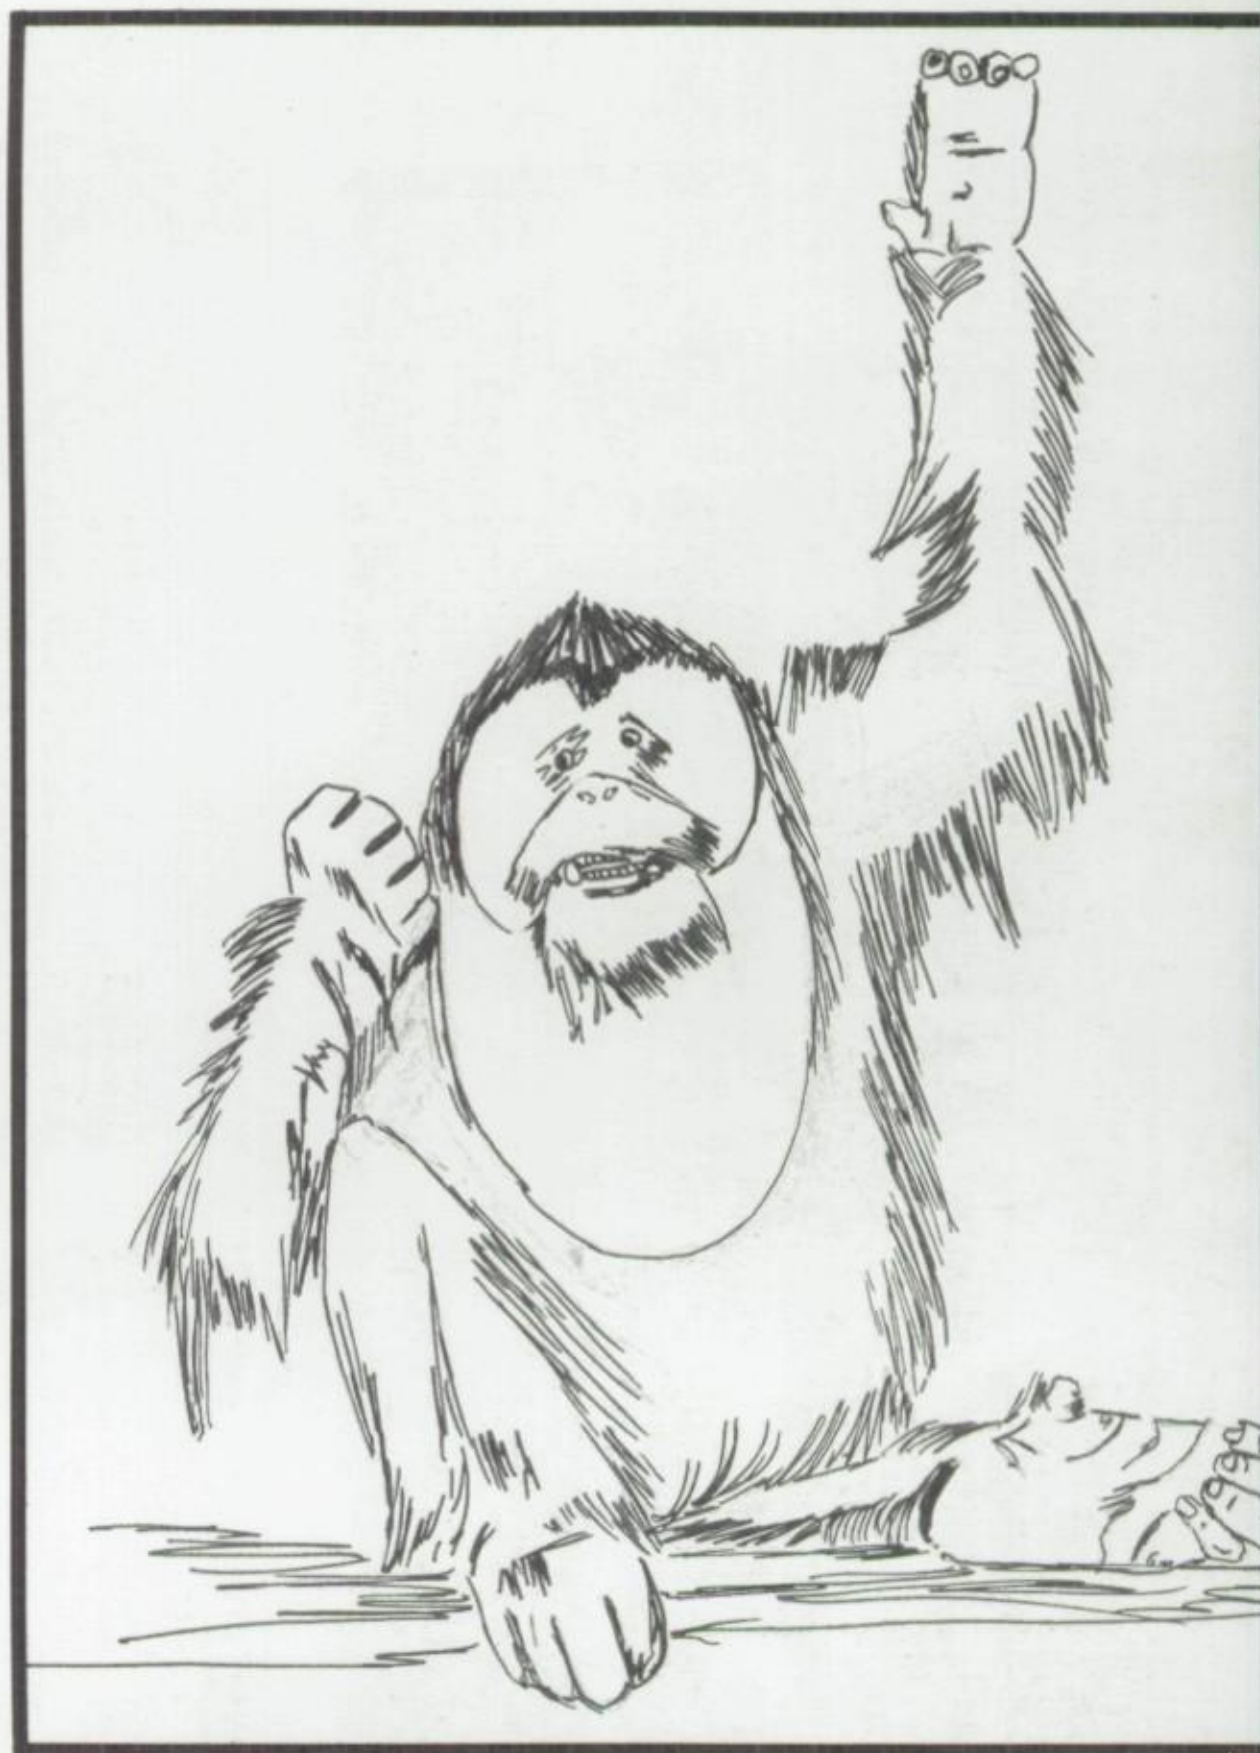

Monkey'en Around at Sahuarita Zoo...

Zoo-keeper Kelly works hard with his right-hand man, Mr. Bender, hoping to keep the animals in some sort of orderly behavior. Since electroshock therapy was outlawed, the punishment for unruly behavior has been fair and just.

The monkeys, who are considered to be on the lowest step of the ladder of Status, revolt by a boycott of bananas. The administration ends the boycott by placing the monkey cages in the cafeteria kitchen where the monkeys are forced to see what the well-to-do animals are fed. Needless to say, there have been no more problems with them. All kidding aside, the administrators and teachers of our school have done a commendable job and we should all be thankful to have them as our educators.

Varsity Volleyball

This year's volleyball squad returned with six starters from last year's team and proceeded to take up right where they left off. J.V. and Freshmen Volleyball

TOP ROW: Yolanda Cordova, Adella Orta, Natalia Lopez, Diana Rodriquez. BOTTOM ROW: Renee Kurtenbach, Cherrie Holbrook, Donna Miles, Kathy Weber.

The Frosh Volleyball teams ends their season with 5 wins, and 2 losses. The girls hope to have a winning team and are going to be better in the coming years. Congratulations to Mr. and Mrs. Madeheim, the coaches.

Varsity Basketball

With a new coach and a fresh outlook, the Varsity Basketball team started out the season in high spirits.

Coach Wieburg brought an entirely new coaching philosophy with him from his former school. After two losses, the Mustangs got back in gear with a big win over Hayden and went on to defeat Patagonia in a momentous four-over-time victory. As the season progressed, the Sahuarita five thrilled the crowd while at the same time bettering themselves and their overall game so that they would be ready for the divisional tournament.

The Mustang Varsity Basketball Team ended the season with a respectable 4-18 record. The season on the whole was made up of various high points and low points. The team stuck with it all the way, and should be commended for their fine efforts. With David Lorentz and Les Harris the only two returning lettermen, Coach Wieburg will have a good foundation with which to build a program on. The Mustang cagers showed every team that they played that they are a team to be reckoned with in the future. The team also proved that the basketball program at Sahuarita is on the way up. Congratulations on a well played season!

J.V. Basketball

Mr. Jones took over the Junior Varsity coaching job this year, and it's obvious that the members of the J.V. team profited from his basketball experience. The Junior Varsity finished the season with a respectable and hard fought for 8 win-10 loss record, which is one of the more impressive Junior Varsity records in recent times here at Sahuarita. With four of the five starting players on the J.V. team in their Junior year, Head Coach Wieburg should find next year's Varsity team more than anxious to continue their winning ways.

A good strong basketball program must be built from the ground up, thus a strong, fundamentally sound Junior Varsity is a must if Sahuarita is to become a legitimate contender in the years to come. And finishing the season with an 8 win-10 loss record is a fine start toward that goal.

One good reason why America's locally owned rural electric systems are pushing for strong national energy conservation programs:

Conserving Energy Makes It Possible To Stretch Out The World's Dwindling Resources While New Technologies Are Being Developed.

Energy conservation does not mean austerity or a lower standard of living. But it does mean some consumer and industry consumption patterns must be altered.

Without conservation as part of a comprehensive national energy policy, energy shortages could severely restrict the opportunities and advantages we now enjoy, and limit our ability to pursue our traditional hopes and dreams for a better life.

Friends we once were
Friends will always be
Reflections of yesterday
We always see

Days with a friend
that suddenly are through
Sunlit memories of the
so few

Sweet little memories
that make me cry
A friend so special
I can't say good-bye!

Our high school years are very special and are big steps in our lives.

Freshmen are just beginning; just beginning to learn and experience new and different things; different surroundings.

Sophomores are on their way; on their way to make plans, to build confidence, to better themselves.

Being a Junior means being almost there; Juniors become more aware of the surroundings around them and start thinking more about their future goals.

Seniors are leaving and they will now learn to apply their years of experience into future life.

The Yearbook means different things to different people. It is the one lasting bit of Sahuarita that the Seniors can take with them.

The Mustang staff hopes that in the years to come you will enjoy this book as much as we have enjoyed producing and writing it.

Last minute thoughts of the years gone by and of the many wonderful years to come. It is through these two concepts that we as students receive a key to the future in which the sky is the limit.

1) Hey, how come he doesn't stop talking and just give us our diploma? 2) Fairy D. Kuball receives her diploma. 3) Sally Stockwell glances back at Sahuarita.

1). Kimbra Rawlings, Danny Flack, Mark Hughes; An Inspirational moment in the Drama Department. 2). Lisa Tate finds the surprise inside. 3). If their mothers only knew.
